LOV

The HANDMADE SOAP CO.

It's hard to believe that the amazing products from the Handmade Soap Company were born out of a concept by two local entrepreneurs who had a vision for exquisite skincare. We here at Navan Life absolutely love the Handmade Soap Company's goodies with their amazing vintage style packaging and unique products. Treat yourself or someone else to their range. It's a gift you'll never forget!

Shea Body Butter

If you want to baby smooth skin, this body butter will leave your skin feeling and looking revitalised and soft. The texture is amazing and you will be counting down the minutes to bath time so you can reapply this yummy butter. Pure luxury in a jar!

Lavender, Rosemary, Thyme & Mint Bubblebath

The ultra cool old style bottle will get you excited about bath time again! The colour is and its aroma are so soothing and knowing you are bathing in a natural product made with love and to remedy your body makes it all the more relaxing.

If you get a chance to sample some Handmade Soap Company Products, we highly recommend it! Read the September issue of Navan Life Magazine where will talking to the people behind the company and finding out just what was the inspiration for this amazing Irish brand.

Handmade soaps

These adorable and stylish soaps in their fabulous beautifully designed packaging are fantastic value and will leave your skin feeling brand new. All of the soaps are unique from Witch Hazel, Lavender, Shaving soap for him/her to orange and frankincense to name just a few of the different varieties available, you'll have a ball trying them all out!
